

VINEETH SUVARNA PRADEEP

Full Stack Developer | Tech Lead

Innovative Full-Stack Engineer with 10+ years of experience delivering scalable B2B & B2C applications & collaborating with Cross functional teams. Specialized in microservices, cloud infrastructure, UI/UX development, automation testing, accessibility compliance, CMS, SEO strategies, and performance optimization.

WORK EXPERIENCE

Freelance Web Developer

Jul 2024 – Present

Freelance | UK, Swansea

- Worked closely with real estate clients to develop and implement a scalable platform using PHP, Laravel, resulting in enhanced property listings and lead generation efficiency.
- Managed SEO optimization, integrating structured metadata and improving search engine discoverability, increasing organic traffic

Senior Application Developer

Aug 2022 – Oct 2023

IBM | India

- Played a pivotal role in Amazon Connect IVR optimization, improving contact flow efficiency and queue routing, leading to faster customer resolution times.
- Conducted React based UI enhancements, integrating workforce management automation using Terraform, streamlining operations and reducing manual errors.

Tech Lead - UI Developer

May 2020 – Aug 2022

HCL | India

- Led telematics dashboard development, leveraging React, D3.js, and real-time analytics, which resulted in 20% faster data rendering and improved vehicle tracking visibility.
- Implemented mono repo architecture and CI/CD pipelines, enhancing team collaboration and reducing deployment time by 30%.

Senior Analyst - UI Developer

Mar 2018 – Jan 2020

Apptium Technology | India

- Managed B2B marketplace CMS and CRM integrations, streamlining workflows and improving data consistency across platforms.
- Developed an Angular based telecom marketplace, integrating custom CMS, ensuring seamless API connections and reducing manual processing delays.

Business Associate

Jun 2017 – Dec 2017

Crown Solution | India

- Designed test automation frameworks for continuous integration, leading to fewer deployment failures and improving system reliability.
- Managed cloud servers and Docker deployment, refining DNS configurations, boosting scalability to support over 1 million users.

Software Web Designer

Oct 2013 – Jun 2017

Ducen IT | India

- Created UI/UX components for BI dashboards, improving usability by 40% and enhancing data visualization clarity.
- Implemented agile design workflows, delivering three MVPs ahead of schedule, demonstrating efficient milestone execution.

System Administrator

Nov 2007 – May 2010

Narayanaguru College | India

- Played a key role in marketing strategy development, managing branding materials, posters, and advertising campaigns, resulting in improved engagement and enrollment growth.

SKILLS

Front-End Technologies:
HTML, CSS, JavaScript (ES6+), TypeScript, React.js, Next.js, Angular, Vue.js, React Native, Flutter, WordPress, Shopify, PWA.

Backend & API Development:
Python, PHP, Laravel, Node.js, Express.js, MySQL, PostgreSQL, MongoDB, Firebase, RESTful APIs.

Performance & Testing:
Google Page Speed Insights, Cypress, Playwright, Jest, Enzyme

DevOps & Cloud:
AWS, Azure, GCP, Kubernetes, Docker, Terraform, CI/CD (Jenkins, GitHub Actions).

Design & Collaboration
Figma, Adobe Suite, Jira, Confluence, Agile, Scrum.

ACHIEVEMENTS

Innovation in BI Tool Development

- Authored comprehensive design guidelines that enabled the development of 10+ core modules, improving overall system functionality

Optimized Code Snippet Deployment

- Improved system efficiency by implementing streamlined coding practices and identifying three key bottlenecks causing production delays
- Documented and resolved these issues, resulting in a significant boost in output quality

Excellence in Concept Visualization

- Received the Concept Visualization Award for exceptional design innovation, enhancing project deliverables and contributing to the success of three major client initiatives

EDUCATION

MSc Electronics and Communication System
Nehru Arts and Science College
Jul 2010 - Aug 2012

Diploma Digital Visual Media – Animation
Image Education Institute

BSc Physics
Malankara Catholic College
